

**Welcome to swim lessons at the Chatham County Aquatic Center.
Please read the following directions and guidelines**

- Please be on time. It is very important that swimmers are ready to get in the water at the start of the class! As a courtesy to all participants, students who arrive more than 15 minutes late will not be able to join the class
- All children must wear a swim suit. Goggles are highly recommended. Don't forget your towel!
- All students must check-in at the front desk. Then you may proceed to the pool deck to meet your instructor at the blue desk.
- All lessons start and end on the blue mat. Instructors will review the Personal Record Book with every swimmer at the end of each lesson. If you have questions, this is the time to talk to the instructors.
- When you enroll in swim lessons, you are reserving a slot that is in high demand. It is your responsibility to make sure that your schedule is clear of appointments and other activities that interfere with the classes for which you have enrolled. Swim lessons cannot be rescheduled or made up. No refunds, credits or transfers will be offered for missed classes.
- CCAC will make every attempt to make up any classes that are canceled due to unforeseen circumstances.
- Parents are required to stay on the pool deck during swim lessons.
- Please change your children in the locker rooms. Changing on the pool deck is not allowed. Please note that children over the age of 5 cannot be in the opposite gender's locker room. There is a family locker room located on the pool deck.
- The swim lesson fee does not include RECREATIONAL SWIMMING BEFORE OR AFTER LESSONS. Daily admission must be paid for anyone who is swimming before or after class. Wrist Bands are required to swim in the recreational pool.

NO REFUNDS, NO CREDITS and NO TRANSFERS once payment has been made
